

Marco Cantú, Missionary in México

March 2018

Dear Brethren in the Lord, Pastor Bennett, Grace Missionary Baptist Church, and all the churches of God, It is a pleasure to be able to tell you that the work of preaching continues on in the city of Matamoros. I thank you for being part of this work and for your interest in it. I give the glory to our God for supplying the needs to be able to do the work. I especially rejoice to see the power of the Lord in opening ears to hear in the people to whom we carry the message, though I must understand that it is disheartening when we encounter people who fail to appreciate the glorious message that we present to them. Many continue to be indifferent, trusting in good luck and not knowing that our God would have any degree of control in their daily life or even that they are enslaved in idolatry.

We continue making visits in the homes, attending to the invitation of those who ask for counsel apart from the congregation.

A brother helped us obtain a structure for shade that I can use together with the one I use for open air preaching. I only had to get material to reinforce the structure and have already used it in the camp where we were preaching. The plan is to continue using it for the open air services.

March 29-31 we were preaching in the annual camp together with Berea Baptist Church of Ciudad Victoria; Sovereign Grace Baptist Church of Pesquería, Nuevo León; and those of us who assemble here in Matamoros. On this occasion, we met here in an area that is about 10 minutes from the city of Matamoros. The theme preached during those days was "The Sufficiency of God." Participating in the preaching were Brother Marco Jr, pastor of Sovereign Grace Baptist Church and your servant. A good number of people attended who do not regularly meet with us and some of them, by the grace of God, were impacted in their hearts and expressed their contentment and have become our friends, so we see in this the opportunity to continue preaching to them.

I ask for your prayers to be effective for the Lord in the work that we do. God bless you.

In the service of the Lord,

Marco A. Cantú
