Dear Brothers and Sisters in Christ,

Fall is in the air in Arkansas; it was in the 90s the first of the week and it is 54 degrees right now! The cooler air is nice, but as human nature is, we are never satisfied. In a month or so we will be wanting warmer air! My, my, how we are! But our God is so good to all of us all of the time. We need to be content in whatever state we find ourselves. The older I get the more I rely upon Him for I can see how frail I am and know that age is taking the toll upon this old body. King Solomon warned us that this was going to happen to us. God prepares a body for us to use and then it wears out and He takes us home with the promise that He is going to give us a new one someday, and I know that it will be soon! This is what we prepare our churches for. He is coming quickly; He said so.

Brother Anastacio Suazo (Tacho) was finally admitted to have the thick cataract taken from his eye and all is well. He wanted to express this thanks to all who prayed and helped in the expense of this operation. To us, it is almost nothing, but to a country boy who has never been in a hospital or had a big expense like this, it was major surgery for him. What a wonderful pastor and friend to me and his community! He has built up a trust and confidence within his village of Lis Lis, Colón, Honduras par none. I am so thankful for God's electing grace both in salvation as well the call to preach of these men on the North coast of Honduras. They have stood up to the Arminian Southern Baptists who have tried to infiltrate them, but told them no, and remained strong. Only God can do this to His chosen few. I can joy in this, Brethren.

Sylvia and I went to visit a real dear friend this past month, Brother Doyal Thomas, for he had left the hospital under the supervision of Hospice care and put his life in the hands of the Lord. He was a very sick man, but so very happy to be with his family, the Lord's church and friends in his front room to the very end of his life. We were able to go back for his funeral as well. Brother Matthew Stepp led the service and exalted the Lord and preached the gospel of Jesus Christ. It was bitter sweet for all of us. Our relationship was a close one for the almost five years there as pastor and thereafter, as Brother Thomas welcomed us into their family and they always make us feel right at home.

All is well in Lynn, AR at the Faith Missionary Baptist Church. It has been good to have visitors; one Sunday morning there were five lost souls in attendance. We pray that they will be saved. The fellowship is good and this month Bro. Raul Bergerman preached a couple nights for the Sovereign Grace Missionary Baptist Church in Bono, AR, with Pastor Byron Griffey and then came to our church for two nights. It was a joy to hear God's word proclaimed in spirit and in truth. Please keep us in your prayers and thanks so much for the birthday cards fo me as well as your prayers and continual financial help for Sylvia and me. We are so thankful for all of you and your love for so many years!

Your brother in Christ,
